WEEK 13

SP: Introduce the concept of democracy and apply knowledge in class vote.

- Introduce the concept of democracy (you, me and us)
- Children are given a task to compile a list of what they would change to make their school a better place better.
- Create a list from the children's suggestions.
- Discuss and condense this list to the top 2 best suggestions.
- Children should vote with a show of hands.
- Children apply what they have understood about you, me and us by thinking of ideas to improve their school communities.
- Discuss and use democracy in action to decide top ten ideas.
- What does democracy mean?

Teams develop plan of action for bill.

- Children are split into teams and allocated a colour.
- Each team is given one of the community suggestions.
- Each team has to decide how they could make this idea happen and create a bill(law) for proposed legislation using a mind map.
- From this mind map teams are to develop a script to present their bill to class parliament.
- Formulate a campaign slogan.
- Teams apply concepts learned so far to develop a bill using mind-map.
- Develop a script to present in animation.
- Develop a campaign slogan.
- Why are mind maps useful?

SP: Plan and create resources to compliment their campaign

- Teams to produce a poster to promote their proposed changes.
- This can be done in Microsoft Word
- Show children some marketing posters, make the children aware of the colours used, different fonts used and the use of pictures to capture attention.
- Why are you using that format?
- Why have you chosen that particular font?
- Are you using pictures in your poster? Why?

Week14

SP: Create animation.

- Teams to create an animation to promote their movie using FotoMorph
<http://www.thewindowsclub.com/fotomorph-free-download>
- These recording should be approximately one minute long and should include them highlighting the issue they want to address and then presenting their solution.
- To do this they will need to prepare a script and get pictures of a politician or celebrities to endorse their bill. The children can use photos sourced from the internet
- What is the message you are delivering?
- Why do you think we are producing an animation to promote your message?

SP: Saving and publicising

- Children to finish their animation.
- Children consider how they are going to promote their video and poster.
- How can they use the internet to do this?
- Teams to share their animations on facebook school account .
- Teams to include information about their animation.
- Why are you using an online social platform to promote your message?
- How can you use the internet to promote a change?
- Teacher to ensure children do not give there names, class or any personal information and do not use their own face.
- Ensure that safety guidelines are met and check the final animation before uploading.
