

SUMMER VACATION, 2019
Grade 6-8

As summer comes, it's time for us to have some fun.

Dear Parents and Students,

Thank you for your support for the academic year 2018-19. Summer holidays are here, a time of family, rest and relaxation. As we continue with summer break, we encourage you to reflect upon this past year and plan ahead as next year approaches. Students, continue to read and grow over the summer and, even though it may be a bit hot, make time to get out and enjoy the outdoors. Put a bowl of water for birds, lets save the sparrows!

Good physical exercise (and work) helps to stimulate the mind and encourages good thinking and strategy skills. So let's get in the garden and go out for nature walks with our parents.

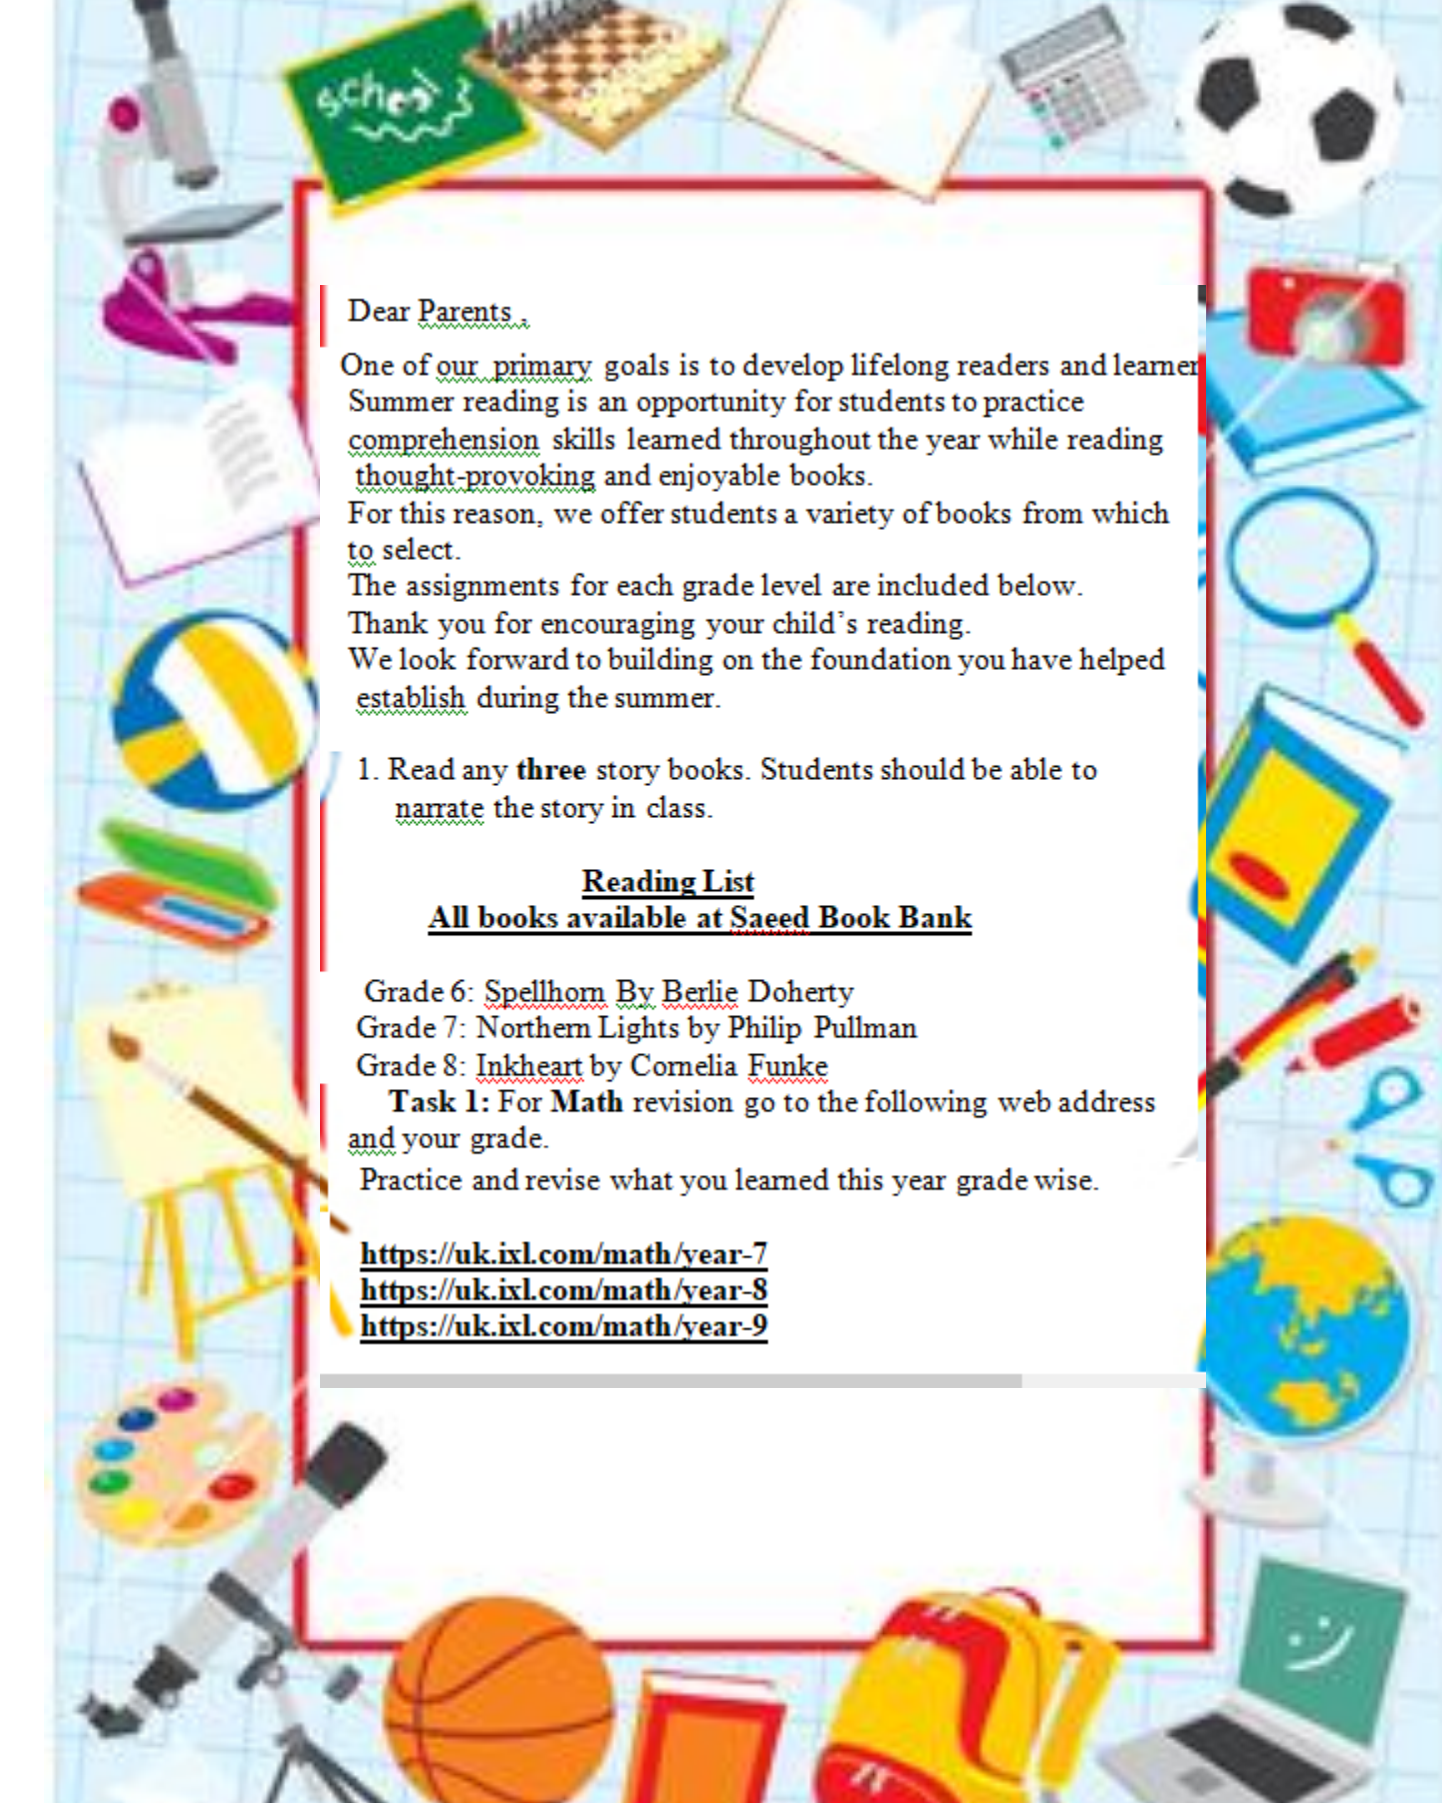

Let's not forget to use the magic words Thank you, Please, Sorry and Excuse me.

And, don't forget to do something nice for someone, especially your parents!

Be prepared to learn, grow and revise the lessons/concepts of all subjects covered this year and have fun!

For our parents, thank you for the privilege of educating your children. We look forward to seeing you all back at the end of summer break and working with you in the coming year to help your child succeed and grow.

Happy holidays from ICAS

Dear Parents,

One of our primary goals is to develop lifelong readers and learners. Summer reading is an opportunity for students to practice comprehension skills learned throughout the year while reading thought-provoking and enjoyable books.

For this reason, we offer students a variety of books from which to select.

The assignments for each grade level are included below.

Thank you for encouraging your child's reading.

We look forward to building on the foundation you have helped establish during the summer.

1. Read any **three** story books. Students should be able to narrate the story in class.

Reading List

All books available at Saeed Book Bank

Grade 6: Spellhorn By Berlie Doherty

Grade 7: Northern Lights by Philip Pullman

Grade 8: Inkheart by Comelia Funke
